Notice of Sale of Land Under Deed in Trust.

State of North Carolina.

By virtue of the power of sale contained in a certain deed in trust executed by John S. McMahon and wife Lizzie McMahon, and Thos. E. McMahon and wife Margaret McMahon to the undersigned, W. K. Story II, trustee, to secure the indebtedness therein described, which said deed in trust bears date the 2nd day of January, A. D., 1911, and is duly registered in Book 57, page 1 et seq. of the Records of Deeds of Trust of the said county of Jackson, N. C., default having been made in the payment of the principal and interest of the notes secured by said deed in trust, and the power of sale therein contained having become operative, and application and demand having been made by the holder of said notes that the land described in said deed in trust shall be sold for the satisfaction of said indebtedness, the undersigned trustee will, on **TUESDAY THE TWENTY-FIFTH DAY OF FEBRUARY, 1913**, offer for sale, at the courthouse door, in town of Webster, in said county of Jackson, and State of North Carolina, to the highest bidder for cash, the following described land and premises, situate, lying and being in Salisbury township, in the said County of Jackson and State of North Carolina, adjoining the lands of Russell Sutton, Will Sutton, Robert McMahon, W. M. Hensley, John McMahon and others and more particularly described and bounded as follows: beginning on a large mahogany about one hundred and fifty (150) yards north of Mitchell Sutton's house where he now lives, or did live in 1910, and runs north 53 degrees west, 54 poles to a large chestnut and small holly bush, then S. 44 degrees W. 50 poles to a ditch near a spring head, then N. 51 degrees W. 10 poles to a stake in a gully, then S. 14 poles to a white oak, then S. 55 degrees W. 10 poles to a Spanish oak (now cut down, but some small sprouts and a black oak sapling still standing), Mitchell Sutton's corner; then N. 50 degrees W. 54 poles

to the main high top of the Main mountain, then N. 21 degrees W., with the top of Main mountain twenty-four poles to a hickory; then N. 18 degrees E., still with the main top of the mountain, 90 poles to a stake, then N. 69 degrees E. 2 poles to a stake, then S. 5 degrees E. 18 poles to a stake, then N. 6 degrees E., down the mountain, 24 poles to a stake, then N. 54 degrees E., with the meandering of the mountain, 5 poles to a black oak stump, then S. 7 degrees E. 26 poles to a stake, then N. 33 degrees E., with Will Sutton's line 32 poles to his locust corner, then S. 45 degrees E. 70 poles with Will Sutton's line to his corner, then in the same direction about 20 poles to a stake in Davis Sutton's line, then S. 5 degrees W. 49 poles to a pine, then S. 18 degrees W. 8 poles to a stake, then S. 28 degrees W. 34 poles to a stake on the top of the ridge, then S. 17 degrees W. 28 poles to a stake in the McMahan gap, then S. 28 degrees W. 23 poles to the place of beginning containing two hundred and thirty-three acres, be the same more or less

And also all the right, title, interest, claim, property, demand and estate of the said parties of the first part to said deed in trust, and of each of them, in and to all the certain tracts of land conveyed by John S. McMahan and Thos C. McMahan to Walter E. Moore, as trustee, by a certain deed of trust bearing date the 12th day of November, A. D. 1901 and registered in Book "CC" at page 545 et seq. of the Records of Mortgages and Deeds in Trust for the said County of Jackson, N. C., and by the said Walter E. Moore, trustee, to Lelia J. Waddell and S. Eugenia Johnson, by deed bearing date the 15th day of June, A. D., 1908 and registered in Book "PP" at page 130 et seq. of the Record of Deeds for the said county of Jackson, and by the said Lelia J. Waddell and her husband, J. C. Waddell Jr., and the said S. Eugenia Johnson to Julia D. Shuford, by deed bearing date the 7th day of June, 1910, and by the said Julia D. Shuford and her husband, Geo. A. Shuford, to the said Julia S. McMahan and Thos. C. McMahan.

han, by deed bearing even date with said deed of trust under which this sale is made, whether said tracts of land are covered by the first tract or boundary herein described, or whether said tracts, or either of them, shall lie outside, or partly outside and partly inside of said tract of land herein first described being the same land and premises described in said deed of trust of the 2nd day of January, 1911, to which reference is hereby made for further particulars.

This the 20th day of January, A. D., 1913
W. R. SHERRILL, Trustee.

**TO PROVIDE
STATE ASSISTANCE**

The following bill has been introduced in the lower house of the general assembly to provide for competent engineering assistance in the building of roads.

The General Assembly of North Carolina do enact:

SECTION 1. In order to further the work of the Highway Division of the North Carolina Geological and Economic Survey in rendering road engineering assistance to the counties in the construction and maintenance of their public roads, there is hereby levied an annual tax of fifty cents per horse-power on all motor-driven vehicles, which tax shall be in lieu of all other taxes on automobiles, and shall be collected by the Secretary of State in the same manner as the present one dollar license fee is collected, and shall be in lieu of this license fee; and this tax, as collected, shall be deposited in the State Treasury to the credit of the North Carolina Geological and Economic Survey for the purpose of carrying out the purpose of this act, and to be drawn upon as directed by the Geological Board. Every voucher, before it shall be paid by the said board, shall be accompanied by an itemized statement of the account to be paid.

SECTION 2. Any county desiring engineering assistance from the North Carolina Geological and Economic Survey shall make application for such assistance on blanks especially prepared by the State Geologist, and any county through its county or road commissioners accepting such engineering assistance shall agree to carry out the instructions of the Highway Engineer of the North Carolina Geological and Economic Survey; and shall further agree to construct and maintain the roads according to the instructions given by the said engineer. Engineering assistance shall also be furnished to the counties relating to the best kind of bridge to be built in connection with the improvement of any road, and any county or township that is contemplating the construction of a bridge to cost over five hundred dollars (\$500) shall not let the contract for said bridge until the plans and specifications for said bridge have been approved by the North Carolina Geological and Economic Survey, and the final payment, equal at least to 20 per cent of the contract price, shall not be paid by the county or township officials until the construction of said bridge has been approved by the engineer of the North Carolina Geological and Economic Survey. The engineer of the North Carolina Geological and Economic Survey shall also furnish to the county or township commissioners having in charge the road work an estimate of what the proposed bridge should cost, and no bid shall accepted by said commissioners in excess of the estimate made by the said engineer, except as herein provided. If no bid is received by said commissioners at or under the estimate made by the said engineer, the letting of the contract shall be readvertised, and if no bids are then received at or under the estimate of the said engineer the said com-
